Jim,
Our maintenance contractor empties the trash cans twice a day. We are using Streetplus since September 1, before that we used Cleanstreet. They also keep the trash receptacles clean and affix our logo plaques to them (they often are stolen).
Cheers,
Devin

Subject: Question

Devin, hope all with you has been good.

Question: Who/what contractor do you have to service your BID's public trash containers located along streets? That's empty container by removing the bags and hauling away. Thanks.
